Hi Nancy,

I lived in Dallas for 5 years and worked as an Emergency Response contractor for R6 in the early 90s. Not too far from their HQ is the best bar in the world (in my opinion) called The Gingerman. If you get a spare moment to unwind - and take a load off your poor foot - pay a visit for a refreshing pint of any of the 100 beers on tap. It's in a remodeled home and located near McKinney and Boll.

Cheers!
